APPLICATION TO WITHDRAW AS ATTORNEY OF RECORD
ACCORDING TO 35 C.F.R. § 1.36

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Page 2 of 3

Pursuant to 35 C.F.R. § 1.36, the undersigned, Roger D. Emerson, hereby requests permission to withdraw as attorney herein.

The reasons for my requested withdrawal are contained in detail in the enclosed letter to Mr. Richard J. Englehart, but can be summarized as (1) the applicant has not paid me for the services he has requested I perform; (2) the applicant has consistently and deliberately disregarded agreements and obligations he has made to me, especially concerning reimbursement for expenses and payment of my fees; and (3) by his conduct the applicant is making it unreasonably difficult for me to carry out my representation of him and employment by him, effectively.

I have delivered to the client all files for which I was responsible and information he has given to me. Thereby, I have effectively empowered him to carry on his own prosecution of the application, whether pro se or by hiring another intellectual property attorney. The time for response in the application is greater than thirty days. As such, I believe I have left the applicant in a condition to carry on the prosecution of his application without me. Therefore, I believe I have complied with all the obligations placed upon me by the U.S. Patent and Trademark Office to allow such withdraw and believe I am entitled to the application I request.

I hereby revoke all Associate Powers of Attorney previously granted.
